**Bruce at His Old Tricks**  
A. J. Bruce, the photographer, has gone, and numerous inquiries are being made concerning his whereabouts by parties here who paid for pictures and failed to get them. The Courier warned the people of Bruce's swindling methods, still they patronized him, and many of them got bit. Perhaps some of those he caught don't take the Courier, and we tender them our sympathy, but those who were posted through the Courier of his rascality elsewhere in beating his patrons, are not entitled to any pity. Since Bruce's departure from Keytesville a scandal has developed which resulted in his extending an invitation to his wife to go to him, and his refusal to send her money to pay her board. Her mother, however, sent her the means to liquidate her indebtedness here, and also money to buy a ticket home. Bruce, it is said, is now in Kentucky, while Mrs. Bruce has gone to live with her people. —Keytesville Courier.
